

## Orkla Confectionery & Snacks Norge

Orkla Confectionery & Snacks Norge was established in 2013, and is an amalgamation of three companies, Nidar, KiMs and Sætre. We are the largest supplier of products that deliver enjoyment and delight on the Norwegian market.

### Confectionery & chocolate

The vast majority of the confectionery we sell is marketed under the Nidar brand, a company that has made sweets and chocolate for Norwegians with a sweet tooth since 1915. At [nidar.no](http://nidar.no) (Norwegian text) you will also find information on the Lakrisgutta, Panda, Laban and Vill confectionery brands.
